

Find the next brand for your market

Meet six food and beverage franchisors at the Emirates Franchise Association pavilion. Whether you're opening your first business or adding a new brand to your portfolio, explore the concepts, meet the teams and discuss franchise opportunities for your market.

	Emirates Franchise Association Based in Abu Dhabi, Emirates Franchise Association supports UAE entrepreneurs and brands through franchising expertise, international partnerships and opportunities for regional and global expansion.	
	The Q Lab Café Born in Dubai, The Q Lab brings specialty coffee and Arabian coffee heritage together in a café and roastery concept. Its range spans espresso, filter and Arabic coffees, offering franchise partners a brand built around coffee craftsmanship and discovery.	
	The Dates Farm Born in Dubai, The Dates Farm turns a cherished regional tradition into a contemporary premium retail concept. Its collection of dates, gourmet stuffed varieties and chocolates pairs with elegant gift boxes and tailored corporate gifting, creating a distinctive franchise proposition.	
	Low Calories Founded in Abu Dhabi, Low Calories makes healthy eating convenient with freshly prepared meals and monthly meal plans. With 50+ branches across 10+ countries, the brand offers franchise partners an international concept focused on making balanced food part of everyday life.	
	SNUW SNUW's signature snowflake ice cream combines a light, airy texture with a colourful range of flavours made from real ingredients. With a presence in Dubai, the brand invites franchise partners to bring its distinctive frozen dessert experience to new markets.	
	Ice Juice Station Born in Abu Dhabi, Ice Station reimagines Emirati flavours through soft serve, refreshing drinks and desserts. With ingredients inspired by local traditions, including dates, the brand gives franchise partners a distinctive dessert and beverage concept with a clear Emirati identity.	
	BLEND Herbs and Spices Based in Abu Dhabi, BLEND is an Emirati herbs and spices franchisor combining traditional recipes with flavours from around the world. Its small-batch range includes Emirati Bezaar, Chef's Blend and everyday seasonings, bringing the brand's culinary heritage to modern kitchens.
